We pride ourselves on being the premier live event space in Oshawa On and we have the equipment you need to have a successful event in 2023 and beyond. If we don't have it in-house, we can work with one of our many approved production companies for additional equipment or services.

Please find below a copy of our available inventory for your event. Additional rates may apply for the use of equipment. If you have any questions please email your rental contact or our technical team at: info@biltmoretheatre.com. Inventory is subject to change without notice.
